LIVE YOUR DREAM - EDUCATION AND TRAINING AWARDS FOR WOMEN

Soroptimist's signature program, the Live Your Dream Award, helps women who are the primary income earners in their household by giving them access to education and with it, the tools to achieve their dreams. Since 2000, Soroptimist International (SI) of the TriCities is proud to have given out over \$125,000 to the recipients of not only the Live Your Dream Award, but also the Give Her Wings, Ruby, and Bea Kelly Teen Volunteer awards.

This year, we need your assistance to reach our goal of granting \$15,000 to the deserving women and girls who benefit from these much-needed awards programs.

DREAM IT BE IT - EDUCATING GIRLS

Experts say educating girls is a major key to improving the global standard of living. We agree. That's why four of our programs focus on promoting education for girls.

Dream It Be It - ongoing workshops and conferences to encourage girls in exploring different careers, creating achievable goals, and discovering their dreams.

CABE Lunch and Learn -mentoring and building relationships with at-risk teen girls.

Suwa'Ikh Lunch and Learn -mentoring and support for indigenous girls.

Club Diginista - coding and programming seminars for tween and teen girls.

With an annual budget of \$7,000 to run these four essential programs, we need your help to ensure these young women can achieve their dreams.

Our Signature Programs

BEA'S KLOSET

Named after a charter member of our club, Bea's Kloset is a free "store" to help at-risk women start a new chapter of life. Women leaving transition homes or recovery, or aging out of foster care are referred to the Kloset, where they shop for free items needed for their new home (linens, appliances, cleaning supplies, dishes and more.) The Kloset is stocked with gently used household items from generous community donors, but we also need funds to purchase in-demand items like pots and pans, and to rent the storage lockers that house Bea's Kloset.

Your sponsorship ensures we can offer this much-needed program, which has benefitted more than 800 women and their children to date. Costs are approximately \$8,000 annually.

WARM PLACE FOR WOMEN

This monthly social evening for vulnerable women and their children offers more than just a hot meal - it's a place to share dreams! Each month, Warm Place for Women welcomes 85+ women and their children to share a meal, socialize, shop for "free" clothing, play games, interact with guest speakers, do crafts, and even get a hug when they need one! This program - with 1,000 guests per year - started 10 years ago. Guests attend Warm Place for Women free of charge.

We run Warm Place for Women on a lean budget of \$5,000 annually and we need your support to keep this beloved community program going.
